Deneholm Primary School

Equalities Policy

Adopted: September 2020

To be reviewed: September 2024

Introduction

This Equalities Policy aims to amalgamate all the equalities legislation into one single Equality Policy for Deneholm Primary School.

Statement and Principles

The policy outlines the commitment of staff and the Trust to promote equality for all as reflected in our core values. This involves tackling the barriers which could lead to unequal outcomes so that there is equality of access for all and that the diversity that exists within the school community is celebrated and valued.

We believe that equality at our school should permeate all aspects of school life and is the responsibility of every member of the school and wider community. Every member of the school community should feel safe, secure, valued and of equal worth. At Deneholm Primary School, equality is a key principle for treating all people the same irrespective of their gender, ethnicity, disability, religious beliefs/faith tradition, sexual orientation, age or any other protected characteristics (Single Equalities Act 2010).

Policy Commitments

Promoting Equality: Curriculum

We aim to provide all our pupils with the opportunity to succeed. To achieve this we will ensure:

- Curriculum planning reflects a commitment to equality.
- The curriculum prepares pupils for life in a diverse society and uses opportunities to reflect the background and experience of pupils and families in the school.
- There will be opportunities in the curriculum to explore concepts and issues related to identity and equality.
- The promotion of attitudes and values that celebrate and respect diversity and challenge discriminatory behaviour and language wherever it occurs.
- The use of images and materials which positively reflect a range of cultures, identities and lifestyles.

Promoting Equality: Achievement

There is a consistently high expectation of all pupils regardless of age, gender, ethnicity, ability, social background and sexual orientation. To secure the best possible outcomes we recognise that:

- Adults in the school will be expected to provide good, positive role models in their approach to all issues relating to equality of opportunity.
- It is important to identify the particular needs of individuals and groups within the school and to use targeted interventions to narrow gaps in achievement.

- A range of teaching methods are used throughout the school to ensure that effective learning takes place at all stages for all pupils.
- All pupils are actively encouraged to engage fully in their own learning.

Promoting Equality: The ethos and culture of the school

At Deneholm Primary School, we are aware that those involved in the leadership of the school community are instrumental in demonstrating mutual respect between all members of the school community:

- We strive to achieve a feeling of openness and tolerance which welcomes everyone to the school.
- The children are encouraged to greet visitors to the school with friendliness and respect.
- The displays around the school reflect diversity across all aspects of equality and are frequently monitored.
- Reasonable adjustments will be made to ensure access for pupils, staff and visitors (including parents) with disabilities (this not only includes physical access, but takes account wider access to school information and activities).
- Provision is made to cater for the cultural, moral and spiritual needs of all children through planning of assemblies, classroom based and off-site activities.
- Pupils' views are actively encouraged and respected. Pupils are given an effective voice for example, through advocacy, the School Council, pupil perception surveys and there are regular opportunities to engage with pupils about their learning and the life of the school.
- Positive role models are used throughout the school to ensure that different groups of pupils feel welcomed and included.

Promoting Equality: Staff Recruitment and Professional Development

- All those involved in recruitment and selection are trained and aware of what they should do avoid discrimination to ensure equality of opportunity.
- Steps are taken to encourage people from under-represented groups to apply for positions at all levels of the school.
- Access to opportunities for professional development is monitored on equality grounds.
- Equalities policy and practice is covered in all staff inductions.
- All supply staff and contractors are made aware of the equalities policy and practice.
- Employment policy and procedures are reviewed regularly to check conformity with legislation and the impact of policies are kept under regular review.

Promoting Equality: Countering and Challenging Harassment and Bullying

- The school counters and challenges all types of discriminatory behaviour and this is made clear to staff, pupils, parents and governors.
- The school has a clear, agreed procedure for dealing with prejudice related bullying incidents and has a nominated member of staff responsible for recording and monitoring incidents.
- The school reports to the Trust, parents and Local Authority on an annual basis the number of prejudice related incidents recorded in the school.

Promoting Equality: Partnerships with Parents/Carers and the Wider Community

Deneholm Primary School aims to work in partnership with parents/carers. We:

- Take action to ensure all parents/carers are encouraged to participate in the life of the school.
- Maintain good channels of communication, e.g. through parent forums, working parties and questionnaires, to ensure parents' views are captured to inform practice.
- Encourage members of the local community to join in school activities and celebrations.
- Ensure that the parents/carers of newly arrived pupils e.g. EAL or pupils with disabilities are made to feel welcome.

Responsibility for the Policy

At Deneholm Primary School, all members of the school community have a responsibility for promoting equalities.

The LSAB has responsibility for ensuring that:

- The school complies with all equalities legislation relevant to the school community;
- The school's equalities policy is maintained and updated as appropriate; and that equality schemes are easily identifiable (these may be included within the School Information Document, School Improvement Plan, Accessibility Plan or may be standalone documents)
- That actions, procedures and strategies related to the policy are implemented;
- The designated Equalities Governor will have an overview, on behalf of the Governing Body, on all prejudice related incidents or incidents which are a breach of this policy and ensure that appropriate action is taken in relation to these incidents.

The Headteacher and Senior Leadership Team has responsibility for:

- Providing leadership and vision in respect of equality in partnership with the Governing Body;
- Overseeing the implementation of the equality policy and schemes;
- Co-ordinating the activities related to equality and evaluating impact;

- Ensuring that all who enter the school are aware of, and comply with, the equalities policy;
- Ensuring that staff are aware of their responsibilities and are given relevant training and support;

- Keeping up to date with equalities legislation.

Measuring the Impact of this Policy

The Equalities Policy and all other relevant policies will be evaluated and monitored for their equality impact on pupils, staff, parents and carers from the different groups that make up our school. This will be communicated with staff, parents, carers and governors by the Headteacher.

Development of the Equalities Plan

It is a requirement that the development of the School Equalities Plan and the actions within it have been informed by the input of staff, pupils and parents and carers. We have achieved this by using utilising:

- Feedback from the annual parent questionnaire
- Input from staff surveys, staff meetings and training.
- Feedback from the School Council, PSHE lessons, whole school surveys on children's attitudes to self and school.
- Issues raised during annual reviews or reviews of progress on Individual Education Plans and mentoring and support sessions;
- Feedback from Governing Body meetings and visits

Review of progress and impact

Our School Equality Plan has been agreed by our Governing Body. We will review progress against our Equality Plan annually and review the entire plan and accompanying action plan on a three year cycle. This will involve:

- Providing updates on equalities legislation and the school's responsibilities in this regard;
- Working with the nominated governor responsible for this area.
- Supporting positively the evaluation activities that monitor the impact and success of the policy on pupils from different groups, e.g. SEN, Looked After
