

# Deneholm Primary School

## Creative Homework Challenge

We are giving children an opportunity to show off their creative skills by completing our **Creative Homework Challenge**. There is no expectation for your child to complete this but please encourage them. These challenges are linked to the learning for the half term.

### Creative homework certificates

**Bronze** - for completing 1 piece of homework this half term.

**Silver** - for completing 1 piece of homework this half term.

**Gold** - for completing 1 piece of homework this half term.

Earn 1 **Children's University** credit for each creative piece completed.

## Menu of Creative Homework Challenge Ideas

1. Research Chinese inventions. Can you make a detailed drawing relating to your research?
2. Complete the moon diary that your teacher gives you in the first science lesson.
3. Go to your local library to find some examples of 'finding tales' can you take one home to read and then write a book review of it?
4. Create your own maths board game based on the learning that we have been focussing on in class.
5. Design an outfit based on the clothes worn by the Anglo-Saxons.
6. Design and make a kite based on one of your hobbies.
7. Create a model of the solar system.

## Compulsory Homework Expectations:

Maths  
Comprehension  
Spelling, Punctuation and Grammar

All of the above will be completed with the **CGP books** that are sent home weekly. These are given out every Friday and they are due to be handed in on the following Tuesday.

**Spellings** will be given out half termly. Children will be tested on spellings every Friday.

There is an expectation for you to **read** at home with your child at least 5 times per week and reading records should be signed to reflect this.

Please use your home school diary if you have any homework queries.

## Writing

### Our key text is

We will:

- Explore the features of a 'rags to riches' tale.
- Write our own rags to riches tales applying correct punctuation and rich description.
- Explore the features of information texts.
- Write our own information texts linked to our broader curriculum.

## Science

We will learn about:

- Describe the shape, position and movements of planets in our solar system.
- Explain the phases of the moon.
- Explain the rotation of the Earth.
- Explain why day and night occur in relation to the Earth's rotation.

## Year 5 Curriculum Overview Autumn Term 2 2023-24

## PE

We will be learning football and dance (the Haka)
